

Front Commun interinstitutionnel de la représentation du personnel

Salary adjustment 2011

The Council refuses yet again to apply the rules

Staff Regulations 2013

Acting as an accomplice, the Commission responded with an even faster dismantling of our Staff Regulations

Despite our best efforts, the "negotiations" have only produced limited results.

Your massive presence will compel Vice-President Šefčovič to seriously consider the counter proposals developed by the united front of all staff representatives in order to protect the European Civil Service.

Now is the time to act, not just to "negotiate".
